

PROJECT TITLE:

Political Juggernauts : A Quantitative Analysis of Candidates in the 2019 Lok Sabha Election

CHOSEN TOPIC :

The Election Commission of Lok Sabha 2019

1. INTRODUCTION:

The 17th Lok Sabha has the highest ever number of women Politicians with a total of 78 which is nearly 14%. The earlier Lok Sabha had 62 Women MPs". Lok Sabha.

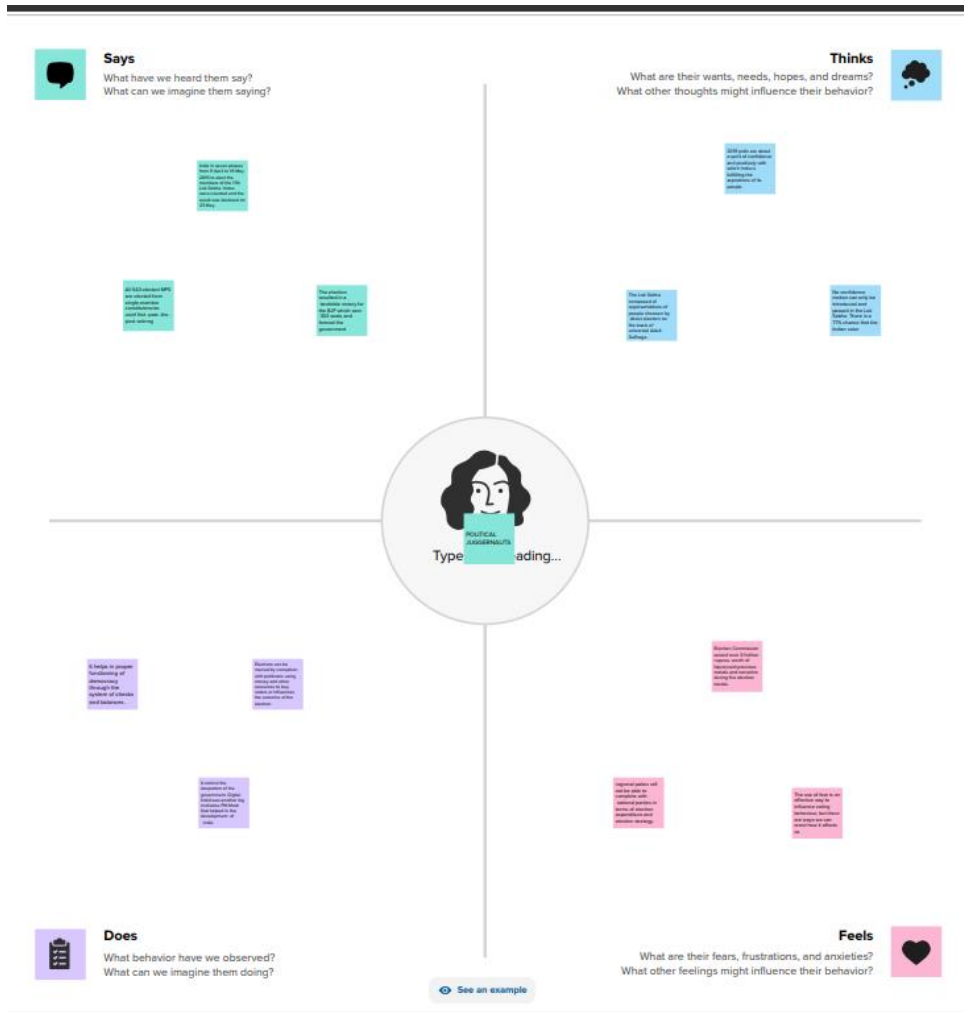

1.1 Overview

In 2019 Lok Sabha Elections will tell us whether combination of Capitalism plus Hindutva can be successfully sold to the masses. Election Observation is a valuable tool for improving the quality of election observers helps build public confidence in the honesty of electoral processes. The Election resulted in a landslide victory for the BJP which won 303 seats and formed the government.

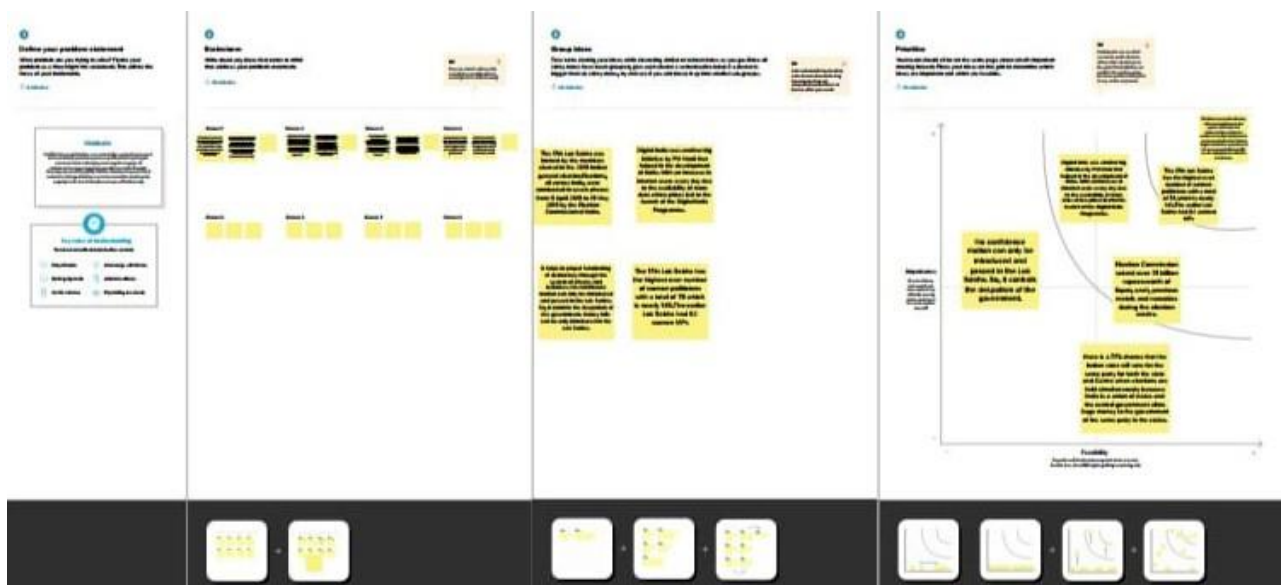

1.2 Purpose

Election educates people regarding the government activities and helps in choosing the appropriate candidates, It encourages people to play an active role in politics. The Lok Sabha is composed of representatives of people chosen by direct election on the basis of Universal Adult Suffrage. PM Modi hoped that the 2019 election witnesses a historic turnout and urged all India to enrich the 2019 Lok Sabha Elections with their active.

3.RESULT

4. ADVANTAGES & DISADVANTAGES

Advantages:

1. The Lok Sabha is the lower house of parliament of India. The members of the Lok Sabha are elected by the universal adult suffrage.
2. The biggest logic in the favour of the simultaneous election is the saving of government money. If the Country goes for "One Nation One Election" it will save huge money.
3. It is observed that when the election Model Code of Conduct is in force then the inauguration of new projects does not take place.
4. If the Election are conducted throughout the year then there is a possibility that parallel economy will grow in the Country.

5. Even State and Central Government need not to prepare lucrative budget every year and they can take tough decisions for the betterment of the economy.

DISADVANTAGES:

1. It is observed that elections for state assemblies and Lok Sabha are held on different issues.
2. Regional parties target local issues while national parties target national issues. So there is a possibility that regional parties will not be able to raise the local issues strongly.
3. At present when almost all the regional parties are demanding to conduct elections through ballot papers.
4. It is possible that some parties make alliance Government which can fall any time before 5 years.
5. As we know that India is largest democracy in the world so it will be a daunting task to conduct simultaneous election in all the States, UTs and Lok Sabha.

5. APPLICATIONS :

The Lok Sabha is composed of representatives of people chosen by direct election on the basis of universal adult suffrage. The Constitution of India allows for a maximum of 550 members in the house, with 530 members representing the states and 20 representatives of the union territories.

At present, the Lok Sabha has 543 seats filled by elected representatives. The member list and member profile published in this page is correct. In the case of any discrepancy kindly contact.

6. Future Scope:

The 2019 Indian general election saw the widespread and innovative use of digital media and technology. A new hope has arisen in the common man; this is the biggest significance of the election results. At the end of the day, who is the government for? It is for the poor.

The new government will dedicate itself for the poor, crores of youth, and for the safety and security of the Mothers ,sisters, those in the rural areas, the oppressed and the deprived.

CONCLUSION:

The Solution for the problem of elections, we defined them by creating KPI's interactive Visulation and dasboard and story board to bring clean and deep understanding of the data and give solution to make elections efficently. The integration of software allows ECI to develop IT facilities easily and respond timely to the growing expectations of the elections and electors.
